

What People Are Saying About the Beyond Hearing Aids Resource Guide

This is like an Idiots Guide, which I need. *Helen Waldrop, KY*

Easy to use and find what you're look for. *Lori Bishop, KY*

More than just a catalog A resource. *Tanya Nelson, AL*

I can't thank you enough! It is extremely helpful. It is obvious that it is a professional mini-guide. *Tina Blasko, PA*

Great Product overviews. The home section helps you visualize what you need in the house. *Lynne Deese*

Very clear and easy to find things. *Anthony Kearney, VA*

As a new consultant, I needed this a month ago to answer "What is this"? *Shelby Kennerly, NC*

This helps me to understand specifically what each product does and how it might benefit my client." *Cristy Ison, KY*

As a new counselor, this will help me identify ALDs that will specifically meet the needs of my clients. *Jamie Yarber, KY*

Very user friendly. Information is easy to find and well organized. *Tammy Schrimsher AL*

I am very impressed. You do a wonderful job of collating and organizing information. It is so helpful to go to one place for the info. Thanks. *Cathy Steger, TN*

Very Impressed. This guide is written the way I think. You have a specific question and turn to a defined section to get a specific answer. *Tim Elam, KY*

As I review these pages – I am feeling that this guide will be the Bible of ALD info to assist the consumers. Your Resource Guide is outstanding. *Verna Mooney, OH*

As a counselor, I'm drowning in papers and catalogs. This is easy to find and read. Thank you, thank you, thank you. *Rebecca Little Sun Hawkins, PA*
