GOOD NEWS! Reizen Braille Quartz Alarm Clock is Available Again!

Just last month we told you that the Reizen Braille Quartz Alarm Clock was discontinued. This month the news is it is available again! This is good news for Deaf/Blind individuals that need a Braille alarm clock with bed shaker. The plastic cover over the face is removable and the dial is tactile. The bed shaker wakes someone who is deaf or hard of hearing. More good news: the price has not increased.

New 2012-2013 catalogs are now available. Please submit a request for a catalog if you are interested in a hard copy. There are price changes on many products that are effective 1/1/31. We're working now to prepare those catalogs for shipping.
