President's Message

Becky Morris, President

Thanks so much for being with us in 2008

and we hope that we can be at your side in 2009 helping you use and choose assistive technology. We set plans in motion in 2008 to build our capacity to help you more. We'll let you know when they arrive but things to watch for include new website content that will exceed your expectations, Becky's "Circle of Friends" blog, and more product reviews than ever.
